

LET THE BEER FLOW

A DEVIL'S DUE PUB SONG

Music by Justin Cook

Tune and lyrics by Paul Knauer

*Lost my wife to the doctor's knife
Gave my son to the gambler's gun*

*And when my fields burned in the hot sun
The banker came and took him some*

*Hey, ho, let the beer flow
I'm gonna drink 'til I drown my woes*

*Hey, ho, tomorrow I ride
And I won't stop 'til they all have died.*
